

THE LAWG 647 MODEL
PRESENTS TRENDS AND REVERSALS

For week of

2020-12-27

For the past many years we have relied on our in-house long-term model to help us in identifying the long-term underlying trends, and projecting the weekly closing price needed to reverse those trends. Like all models, ours is not perfect or always correct but we find that it provides us with valuable information and helps in formulating our trading strategy.

WORD TO THE WISE

Past performance is not indicative of future results. The information contained in this report is intended for informational purposes only and is the opinion of the writer and may change at any time. This information was compiled from sources believed to be reliable but accuracy cannot be and is not guaranteed.
