

THE LAWG 647 MODEL
PRESENTS TRENDS AND REVERSALS

For week of

2021-03-14

For the past many years we have relied on our in-house long-term model to help us in identifying the long-term underlying trends, and projecting the weekly closing price needed to reverse those trends. Like all models, ours is not perfect or always correct but we find that it provides us with valuable information and helps in formulating our trading strategy.
