

LEE GAUS'

TRENDS AND REVERSALS

For week of

2021-10-24

I developed Trends and Reversals over a forty year period of time. The purpose is to identify the long-term trends, projecting the strength of those trends and ascertaining the weekly closing price needed to reverse those trends. Like all models, Trends and Reversals at times can get caught in the switches but I am confident enough in this Model to attach my name.

WORD TO THE WISE

Past performance is not indicative of future results. The information contained in this report is intended for informational purposes only and is the opinion of the writer and may change at any time.
