

LEE GAUS'
TRENDS AND REVERSALS

For week of

2022-11-27

I developed Trends and Reversals over a forty-year period. The purpose is to identify the long-term trends, projecting the strength of those trends and ascertaining the weekly closing price needed to reverse those trends. Like all models, Trends and Reversals at times can get caught in the switches but I am confident enough in this Model to attach my name.
